Tips & FAQs

CAPP stands for Certified Administrator of Public Parking but since it embodies all industry sectors it is simply known as CAPP.

The Designation

- Once you pass the certification exam, you may immediately begin using CAPP after your name. As a standard rule, letters must be capitalized, and periods are never used to abbreviate the designation.

The Recognition Ceremony

- The CAPP Awards and Recognition Ceremony is held each year at IPMI's Conference & Expo. You will be asked to submit a professional head and shoulders photo to for use in the Program Guide and in the PowerPoint presentation as you walk across the stage.
- The photo should be an original, unedited JPG, TIF or BMP file of at least 300 dpi resolution and/or 1MB in size. It should be 2" x 2" and attached to an email (not embedded in an email or a Word document.)
- Although IPMI distributes a press release announcing everyone's achievement while onsite at the conference (at the conclusion of the recognition ceremony), IPMI also has a template that you can use to announce yourself in your community.
